

Authorizing the Director of the Franklin County Department of Economic Development and Planning to submit a grant application to the Ohio Department of Developments Local Government Services and Regional Collaboration Grant Program to study the creation of a Franklin-Pickaway By-Product Synergy Network

(Economic Development and Planning)

**WHEREAS**, the local Government Services and Regional Collaboration Grant Program was established in 2008-2009 Ohio Biennium Budget and is designed to provide grants to local governments interested in investigating the possibility of combining the provision of local government services with those of other local governments; and

**WHEREAS**, one of the eligible activities under the grant includes economic development and in collaboration with SWACO, Pickaway County, and number of other central Ohio local governments located near the Rickenbacker area it is the desire of this consortium to study the feasibility of creating a Franklin-Pickaway By-Product Synergy Network ; and

**WHEREAS**, a by-Product synergy network is defined as a group of industries or companies whose waste materials become the raw materials needed by other companies to make or manufacture new Product; and

**WHEREAS**, the study of the creation of a By-Product Synergy Network meets the intention and spirit set forth in Resolution 683-06;

**BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF FRANKLIN COUNTY, OHIO:**

- 1) That the Director of the Franklin County Department of Economic Development and Planning be authorized to submit a application to the Local Government Services and Regional Collaboration Grant Program offered by the Ohio Department of Development to study the creation of a by-Product synergy network.
