

**Resolution approving plans and authorizing the advertisement for construction of the Timberlake Wastewater System Improvement project**

**(Sanitary Engineers)**

**Whereas**, the Timberlake subdivision in Pleasant Township currently receives sewer service from a facility, owned and operated by Cordell Utilities; and

**Whereas**, Cordell Utilities is having difficulties maintaining sewer service to the Timberlake Subdivision; and

**Whereas**, Franklin County has agreed to take ownership and become the operator of record for the Timberlake subdivision; and

**Whereas**, this sanitary improvement project will replace the old wastewater treatment facility with a pump station and force main sewer; and

**Whereas**, the new force main will connect to the Darbydale wastewater treatment facility; and

**Whereas**, the cost for the construction of the Timberlake Sanitary Improvement project will be paid from both ARRA funds and a loan; and

**Whereas**, the plans for this project have been approved by the Franklin County Sanitary Engineer agency; now, therefore,

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS, FRANKLIN COUNTY, OHIO:

1. That the Franklin County Sanitary Engineer is authorized to advertise for bids for the construction of the Timberlake Wastewater facilities and the plans are hereby approved.
