

Authorization for the Engineer to enter into a reimbursement agreement with the Columbus Recreation and Parks Department for the design, construction and rehabilitation of park bridges within the City of Columbus (Engineer)

WHEREAS, the City of Columbus Recreation and Parks Department has requested that the Franklin County Engineer's Office assist in the design, construction and rehabilitation of park bridges and trails within the limits of the City of Columbus; and

WHEREAS, the Franklin County Engineer's Office will assist in hiring an engineer to prepare the plans as needed and will be reimbursed by the of Columbus Recreation and Parks Department; and

WHEREAS, the City of Columbus Recreation and Parks Department recognizes the benefit that construction and rehabilitation of park bridges and trails will have on its citizens and that it is in its best interest to enter into a reimbursement agreement with Franklin County to perform such improvements;

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

Section 1) That the Franklin County Engineer is hereby authorized to enter into a reimbursement agreement with the City of Columbus for the design, construction and rehabilitation of park bridges and trails within the City of Columbus.

Section 2) That the City of Columbus Recreation and Parks Department will reimburse the Franklin County Engineer for costs incurred due to hiring a design engineer for needed plan preparation of park bridges.
