

Authorization of an addendum to the agreement with the State of Ohio in support of the Location Based Response System (LBRS) (Engineer)

WHEREAS, on July 21, 2009, the Franklin County Board of Commissioners by resolution authorized a Memorandum of Agreement (MOA) with the State of Ohio in support of the Location Based Response System (LBRS) and authorized the appropriate Franklin County officials to sign the MOA; and

WHEREAS, the first phase of the LBRS project successfully established a regionally based map system with direct editing access for the various public safety departments and other agency users; and

WHEREAS, the Mid-Ohio Regional Planning Commission has requested an addendum to the MOA, thereby extending the LBRS project to enhance the regional map system and to create secure web portals for those communities who do not have the necessary GIS software to add their roads and address data; and

WHEREAS, the proposed addendum will extend the duration of the agreement to June 30, 2012, and it will allow MORPC to capture \$10,000 of additional funding from the Ohio Office of Information Technology (OIT) to support the project;

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

The addendum to the MOA with the State of Ohio for the LBRS project is hereby approved, and the appropriate County officials are hereby authorized to sign the addendum.
