

Resolution authorizing the Franklin County Engineer to enter into a contract modification with DLZ Ohio, Inc. for the load rating analysis of the bridge on King Avenue over the Olentangy River, an increase of \$4,131 (Engineer) (\$37,752)

WHEREAS, on February 1, 2011, the Board approved Resolution No. 0067-11 appointing DLZ Ohio, Inc. to assist the Franklin County Engineer in performing an engineering load rating analysis for the bridge on King Avenue over the Olentangy River in Franklin County, Ohio for the amount of thirty-three thousand six hundred twenty-one dollars and zero cents, (\$33,621); and

WHEREAS, due to the complexity of the structure, it became necessary to perform additional engineering services to complete detailed structural modeling; and

WHEREAS, the additional work will be reimbursed 80% with federal funding through the County Engineers Association of Ohio, and 20% will be funded through the County Road and Bridge Fund; and

WHEREAS, the total cost of this contract modification shall not exceed four thousand one hundred thirty-one dollars and zero cents (\$4,131), as evidenced by the attached Purchase Order Proof List, which has been pre-certified by the Franklin County Auditor;

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS,
FRANKLIN COUNTY, OHIO:

Section 1) That the Franklin County Engineer is hereby authorized to enter into a contract modification with DLZ Ohio, Inc. for additional engineering services on the load rating analysis of the bridge on King Avenue over the Olentangy River, as detailed herein.

Section 2) That the total cost of this contract modification shall not exceed four thousand one hundred thirty-one dollars and zero cents (\$4,131), and the additional work will be reimbursed 80% with federal funding through the County Engineers Association of Ohio, and 20% will be funded through the County Road and Bridge Fund
