

Resolution adopting access management regulations recommended by the Franklin County Access Management Committee (Engineer)

WHEREAS, Chapter 5552 of the Ohio Revised Code enables counties and townships to pass access management regulations; and

WHEREAS, the purpose of the Franklin County Access Management Committee is to review proposed access management rules, advise and make recommendations to the Franklin County Board of Commissioners on said rules; and

WHEREAS, the County Engineer has drafted regulations and the Franklin County Access Management Committee has reviewed those regulations and made a recommendation for approval to the County Commissioners; and

WHEREAS, the County Commissioners have held two (2) public hearings regarding these regulations and may adopt the proposed access management regulations; now therefore

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

That the Board of County Commissioners adopts the access management regulations recommended by the Franklin County Access Management Committee.
