

Resolution authorizing the addition of 11 new deputy positions in the Patrol Division for 2015. (Commissioners)

WHEREAS, the Franklin County Sheriff’s Office has requested new deputy positions for the Patrol Division as a part of their 2015 Budget request; and

WHEREAS, the Franklin County Sheriff’s Office Management Assessment Study indicated (Volume 5, Section 7, Paragraph 5.2.6) that the Sheriff’s Office needs to reduce the amount of time patrol officers spend responding to events and increase the amount of time patrol officers spend in addressing crime and disorder problems; and

WHEREAS, the Management Assessment Study also concluded (Volume 5, Section 7, Paragraph 5.6.3) that based on the current net annual work hours there are not enough deputy positions to fill required work locations; and

WHEREAS, it has been determined that 11 new deputy positions should be authorized to address these items in the Management Assessment Study which will allow for the combating of drug activities and initiating strategic policing activities; and

WHEREAS, these new deputy positions are being authorized to replace the 17 Community Service Officers in Community Relations and Road Patrol that were recommended by the Management Assessment Study (Volume 5, Section 6) since these officers could have only performed limited duties in the field compared to uniformed officers; now, therefore,
