

**Resolution authorizing a Work Agreement with Jesse Gooslin for a Private Sanitary Sewer Extension**

**(Sanitary Engineering)**

**WHEREAS**, the Franklin County Board of Commissioners is the owner of a parcel at 6675 Lambert Road, Orient, Ohio 43146 for which its Timberlake Wastewater Pumping Station is situated; and

**WHEREAS**, Jesse Gooslin is the owner of an adjacent parcel at 6711 Lambert Road, Orient, Ohio 43146 and is constructing a new home on said parcel which needs to be served by public sewer; and

**WHEREAS**, a private mainline sewer extension is required across the County parcel from Mr. Gooslin's parcel boundary to a manhole on the County parcel which conveys wastewater into the Timberlake Wastewater Pumping Station; and

**WHEREAS**, the Board of Commissioners has adopted a policy regarding such improvements, which requires construction and initial operation of the private sewer by the owner of the parcel being served by the improvement, with ultimate transfer of the improvement which is incorporated into the County's sanitary sewerage system; and

**WHEREAS**, in order to allow construction of the improvement, Franklin County and Gooslin must enter into the requisite agreements, a Work Agreement along with a Private Sewer Agreement (Exhibit A to the Work Agreement); now, therefore

BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

1. That the attached Work Agreement is hereby approved.
2. That the County Administrator can sign the Private Sewer Agreement, presented as Exhibit A of the Work Agreement, on behalf of the Board of Commissioners.
