

Resolution Approving an Agreement with American Structurepoint for the Century Acres Wastewater Treatment Plant Upgrade Project (\$343,346.80)

(Sanitary Engineering)

WHEREAS, the Franklin County Department of Sanitary Engineering seeks to improve the operations of the aged Century Acres Wastewater Treatment Plant; and

WHEREAS, a planning study on the Century Acres Wastewater Treatment Plant was performed by the Sanitary Engineer which recommends the best option for the future is to decommission the treatment plant and pump wastewater to the City of Canal Winchester (future intergovernmental agreement); and

WHEREAS, the Franklin County Board of Commissioners, via the Franklin County Department of Sanitary Engineering, has solicited Statements of Qualifications (SOQs) from engineering consultants to perform the design through construction administration and inspection of the project; and

WHEREAS, American Structurepoint was selected as a qualified and competent firm to perform the engineering work after a thorough evaluation of the SOQs and shortlist interviews; and

WHEREAS, American Structurepoint has submitted a scope and proposed fee of \$343,346.80; and

WHEREAS, the Franklin County Board of Commissioners has applied for and will receive a Water Pollution Control Loan Fund loan for the design of the project and intends to repay the loan from its Sewer Capital Fund;

BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

1. The Agreement between the Franklin County Board of Commissioners and American Structurepoint for the design through construction phase services is hereby approved.
2. An attached PO Proof in the amount of \$343,346.80 is hereby approved.

Resolution No. 0178-16

March 15, 2016

**Resolution Approving an Agreement with American Structurepoint
for the Century Acres Wastewater Treatment Plant Upgrade
Project (\$343,346.80)**
